

Joy is sleeping

C a G F

Joy is sleeping in my body

C a G F

She is dreaming in my body

a C G F
her eyes are closed but her heart is open

a C G F
She says I may sleep but I'm unbroken!

Joy is living in my body
She is singing in my body
I sing with you, I'm unbroken!
I stay with you, I'm unbroken!

Joy is flowing in my body
She is dancing in my body
I dance with you, I'm unbroken!
I stay with you, I'm unbroken!
